Tracey Jones-Wass, second from left, behind the Crab Claw Restaurant sign, welcomes her volunteer wait staff, all former employees of the restaurant, as they return to serve those attending *The 2nd Annual Robbie Shortall Reunion Dinner* in St. Michaels. All tips were donated to support the Talbot Hospice Foundation, and the event brought in over \$6400 for hospice programs. Robbie Shortall died in the Guest Wing in July 2007. "This event gives us all a chance to remember Robbie and raise money for a great cause," said Tracey, restaurant co-owner.
