### **Linda Frye hired at Talbot Hospice Foundation**

Linda S. Frye, Community Liaison Nurse  
at Talbot Hospice Foundation

The Talbot Hospice Foundation, through a grant award from the Grayce B. Kerr Foundation, is pleased to announce the appointment of Linda S. Frye, BS, RN, MPH, in a new position of Community Liaison Nurse.

It is the goal of Talbot Hospice Foundation to ensure the highest level of patient care. Linda's responsibilities will include patient advocacy, monitoring patient and family satisfaction, data collection and assessment, production of reports and quality improvement initiatives. Linda will also develop educational outreach programs.

“We are so grateful to the Grayce B. Kerr Foundation for awarding a grant to underwrite this new position,” said Julie Crocker, Executive Director of Talbot Hospice. “Linda brings a wealth of case management experience which is critical to hospice’s holistic approach to patient and family support and care.

Frye holds a Master of Public Health from Virginia Commonwealth University. She was the Health Services Supervisor at E.I. DuPont in Richmond, Virginia and has a solid background in occupational and public health with over 25 years of experience. She is a Certified Occupational Health Nurse/Case Manager,

“The Kerr Foundation is proud to be associated with such a fine organization at Talbot Hospice and we are committed to providing the funding to equip this outstanding non profit with the means to hire the best in the field which ultimately results in offering excellent services for community members facing end-of-life issues,” said John Valliant Executive Director of the Grayce B. Kerr.

Linda lives in St. Michaels with her husband Bill.
