Miles River Farm commemorated 60 years of training English style riders with its Second Annual Horse Show Celebration in July. The event raised \$11,250 for Talbot and Caroline Hospice Foundations. Pam Titus, Jenny Kade, and Cheryl Palumbo on behalf of all the volunteers at Miles River Farm presented the donation to Executive Directors Julie Crocker of Talbot Hospice Foundation and Linda Evans of Caroline Hospice Foundation, last week in the garden at Talbot Hospice.

Established in 1948 by Pam Titus' mother, Kathryn Barner, Miles River Farm has taught hunt seat equitation to several generations of local riders. The July show was a combined Eastern Shore Horse Shows Association sanctioned event with over 100 horses and ponies participating.

“This gift is very special to Talbot Hospice” said Julie Crocker, MSN, RN. “Many of the individuals involved with the horse show have been blessed with the services and support of Talbot Hospice. The collaboration and dedication of the organizers in choosing to donate to hospice confirms the value of hospice in our community. We are

appreciative to all of the riders, young and old, who gave of their time and talents for our organization.”

Caroline Hospice Executive Director, Linda Evans said, “It has been a pleasure to work with the Miles River Farm again this year; we featured the Horse Show in our newsletters for our volunteers and the community. We feel privileged and are very grateful for the generous donation from the Second Annual Horse Show. These funds will go toward care and comfort of our Hospice patients in Caroline County.”

Show Co-Manager Jenny Kade said, “It is wonderful to see the growing enthusiasm for this event from our neighbors, family, co-workers, and of course 60 years of Miles River riders. So many of us have been touched by these two indispensable organizations and we are pleased to be able to support them.”
