Student Musicians Perform at Talbot Hospice

Piano melodies are being played in the Guest Wing at Talbot Hospice by the music students of Janet Berg during weekends in July. Fourteen students, of varying ability, are playing the piano every Saturday and Sunday.

Talbot Hospice Board Member Mary Wolfe coordinated the schedule with the St. Michaels piano teacher. “Janet Berg's piano students have signed up to provide music during most Saturdays and Sundays in July. Janet is a fantastic piano teacher and her students are terrific examples of outstanding youth. Our thanks go out to all of them for being so community-minded!” said Mrs. Wolfe who also manages the music calendar for the Guest Wing.

Students include, Sarah Fegan, Stewart Mitchell, Kathy Mitchell, Maddie Webb, Jenny Song, Sarah Song, Zoe Lacoco, Jacob Porch, Ben Vannest, Zoe Thomas, Michael McGuire, Sue Park, Claire Anovick and Bernadette Fitzgerald.

The Foundation is grateful to the piano students for their time, efforts and talents. “Our guests and their families really enjoy the contribution of music in the Guest Wing. It enhances the ambiance and soothes the soul” said Linda Frye, RN, MPH, Community Liaison Nurse at Talbot Hospice.
