

**Talbot Hospice presents Plaque of Appreciation
to The Crab Claw Restaurant**

March 10, 2009-Adrienne Rudge, President of THF Board of Directors and Julie Crocker, Talbot Hospice, Executive Director presented a plaque of appreciation to Tracey Jones-Wass and Sylvia Jones, owners of The Crab Claw restaurant in St. Michaels at the Robbie Shortall Memorial Fundraiser. Over the years The Crab Claw restaurant, through various events and volunteer efforts, has raised more than \$50,000 for the Foundation.

“We are deeply grateful for the continual support of this group of wonderful people. Without their help, and others like them, we would not be able to offer our services without charge to all the Talbot county citizens dealing with end-of-life issues,” said Julie L. Crocker, Executive Director of Talbot Hospice. “The Crab Claw restaurant is a well

known and popular destination for locals and tourists alike, and the magnitude of their continued interest has far reaching consequences for Talbot Hospice and ultimately the community.”

The Talbot Hospice Foundation offers hope, compassionate support and services to all members of the community. They provide patient and family care, education and advocacy while respecting both curative and palliative treatment choices.
